

As mathematicians, we will continue to develop our understanding of multiplication and division, including long division and the order of operations.

We will then move on to fractions, looking at equivalence, improper fractions and mixed numbers, and solving problems using these.

In PE, we will develop our invasion games skills with Miss Marshall. In our Albion sessions, we will focus on catching and fielding.

In Geography, we will look at how geographers organise the world, including latitude and longitude and time zones.

Golden Thread

In computing, we will use digital technology to plan, organise and produce a fundraising event in school.

Badgers

SURVIVAL

What does it take to survive?

Term 2

As courageous advocates, we will raise money for a chosen charity by selling handmade Christmas decorations and cards.

In music, we will learn a range of Christmas songs to be sung at our Christingle service and at a local nursing home.

As readers, we will enjoy 'Northern Lights' by Philip Pullman, as well as 'Shackleton's Journey' by William Grill.

We will work to produce a non-chronological report, a newspaper article, a diary entry and a sense poem.

In RE, we will explore what Christians believe about God, using a selection of Bible texts. We will be thinking about why it is important for Christians that the God they believe in and worship is not only holy, and not only loving, but holy and loving.

As designers, we will design and sew Christmas decorations.

As artists, we will design and paint Christmas cards.
