

4TH APRIL 2025

NUTLEY NEWSLETTER

Dear Parents, Carers and Friends,

The year is whizzing past and suddenly we are at the end of Term 4! Our last week of term has been as busy as ever! The week started with the governing bodies of Nutley and Pioneer both voting for Nutley to federate with Pioneer. We look forward to working with the Pioneer staff in Terms 5 and 6 as we continue to move towards formally joining the federation from September 2025.

Also this week was our amazing 'Football Day' which was a great success. Thank you so much Miss Marshall and Josh from Albion who organised a fantastic day of football on the field. Well done children too for taking part and giving every challenge your best efforts!

The highlight of the week was our Easter Service at St James The Less church, which was memorable for so many reasons! Badger Class wowed us all with their Easter rap and Fox Class read their Spring Senses poem beautifully. The Hedgehogs and Rabbits charmed everybody with their fabulous rendition of Spring Chicken! The School Council led us skillfully through the service and the Faith Council prayers were written with so much care and thought. And possibly the most exciting moment of all: Reverend Ben took one for the team by sparing Mr Wadey with an egging – demonstrating the true meaning of Easter in a very powerful and also enjoyable (and messy) way!

Our final Celebration Worship today was an emotional affair as we said a heart-felt goodbye to Mr Wadey and Mrs Sturt. We gave them a true Nutley send-off: Mr Wadey was presented with slides of photos at his best moments at Nutley, and Mrs Sturt enjoyed a video of children's lovely thoughts about her work in school. It is fair to say that they will both be very much missed. Have a wonderful Easter everyone! Enjoy spending time with friends and family.

**Best wishes,
Mrs Robinson.**

Class News

Rabbits

Another term of learning in the books for the wonderful Rabbit Class! It has been a pleasure and an honour being their first ever teacher in school and I will miss spending my days with them after easter. They have made me laugh every day and amazed me with the progress they have made with their learning. They are, however, going to love their new teacher after the easter holidays and will of course carry on being the lovely young people they are. Now here's a quick summary of what has been a busy week! Forest School has been a blast with two sessions this week! highlights from Forest School include roasting s'mores over a fire, slack rope walking, bird nest making and playing in the stream. School football day on Wednesday was also great with the children taking part in range of activities and having a wonderful time learning from our Albion in the community coach Josh! Lastly, the children were amazing at the easter service they watched the other year groups respectfully and joined in with all of the songs. Thank you again for a wonderful time as Rabbits teacher and a lovely time at Nutley!

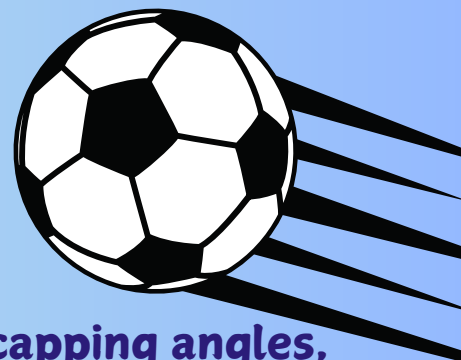

Hedgehogs

WOW! What an amazing term we have had! We have learned so much about Africa, it's animals, their habitats, as well as music and stories from around the world. This week in English we created a story based on the book 'You're Called What?' The story we created had the main character as one of the unusual animals from the book, as well as some fun problems and solutions. In maths we have continued our learning on measurement and completed a quiz to assess our learning – we are all very good at understanding how to measure length and height. We loved every minute of the Easter service, singing our hearts out and making everyone proud – as we always do. Now for a well-earned rest. Have a lovely Easter Hedgehogs and see you soon for our learning about.....Famous Faces!

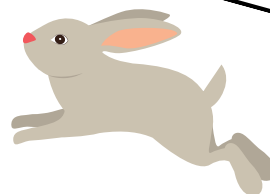

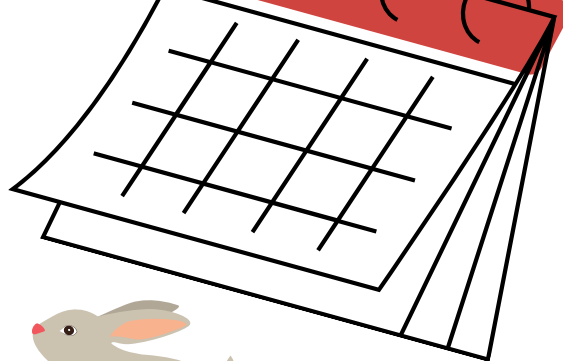

Foxes

It has been a great term! This week we finally finished editing our persuasive leaflets, we also practiced some grammar and spellings. In maths we compared equal measurements in grams and kilograms. In DT we finished our sculptures of our landmarks. Foxes played excellently on our Football day, they all worked really well as a team, cheering each other on. I also, want to thank all the parents/ carers for bringing in those delicious sweet treats to our bake sale, I really appreciate all the effort and hard work you put in as we were able to raise £136.10. Everyone did incredibly in the Easter Service we had at the Church, producing the beautiful pictures and as a class writing a lovely poem. We are looking forward to next term 'Hola North America!'. I hope everyone has a lovely Easter.

Badgers

We finally made it! This week, we have been recapping angles, including calculating angles on a straight line and around a point, and using protractors to measure. In English, we wrote a piece of creative writing, challenging ourselves to use relative clauses, fronted adverbials and a range of punctuation. In science, we looked at how plants reproduce, learning the parts of a plant and how pollination occurs. As part of Schools' Football Week, we played plenty of football, enjoying our session with Josh and working on our skills on Friday. The children were brilliant in their Easter Rap at the church. Well done everyone, have a wonderful Easter holiday!

April 2025

Sun 6th Easter Trail 10.00 – 12.30
Mon 21st INSET – school closed
Tues 22nd Start Term 5
