

NUTLEY NEWSLETTER

19th September, 2025

Dear Parents, Carers and Friends,

It has been another busy week here at school filled with lots of learning, sports matches and more.

Firstly, I would like to congratulate our Year 5/6 football players who attended the A League match on Tuesday. All our players showed a fantastic team attitude- well done Team Nutley!

This week, myself and the governors have been looking at our school vision and values. We wanted to make them easy to remember and purposeful for our children, so that they can live them out in their daily lives. I have therefore retained the heart of the original school vision but shortened it to:

**A foundation for lifelong learning,
to reach our full potential,
by following the example of Jesus.**

I have also linked our values to their biblical roots as follows:

Respect

"We treat others as we would like to be treated"

Matthew 7:12

Compassion

"We are sympathetic and caring towards others"

Peter 3:8

Perseverance

"We are resilient, and never give up"

Galatians 6:9

Friendship

"We encourage and support each other"

Thessalonians 5:11

Forgiveness

"We are kind and forgiving"

Ephesians 4:32

Trust

"We put our trust in God"

Psalms 56:3

We have started to use actions when reading our shortened vision in worship, with three children chosen every assembly to lead this. I invite you to read our vision and values and send any feedback that you may have to the office.

Mrs Helen Denton

Class News

Rabbits

This week in Rabbit class has been wonderful! We have been working so hard on our harvest festival song, which we are thoroughly enjoying! We have also started to learn the actions too! The children have settled into the school routine so well and I am so proud of each and every one of them! The children have been making the most of our outside area, especially the sunshine on Friday! We read the story 'The boy with flowers in his hair' and had a class discussion about being kind to our friends and looking after each other. Have a lovely weekend!

Hedgehogs

We have had another wonderful week in Hedgehog Class! In English we have continued learning how to write descriptive sentences about ourselves, using the 'You Choose' book for ideas. We finished our writing today, giving a book to Rabbit Class with descriptions of each of us to help them get know more friends. In Maths we have continued to work with numbers to 20. We have found out about 1 more, 1 less and how to work out word problems with these skills. In PE we had a fantastic time with our new PE Coaches. We found out how to control a ball with just ONE hand, with the other behind our back. We found out how to shoot and defend with just one hand. In Music we had fun creating 'Funny Bones' music with our bodies and objects from around the classroom. Another fabulous week – Miss Debenham is very proud of all of our hard work and enthusiasm.

Foxes

What a week! It has been so lovely being back and with our class settling back in. In English Fox class produced some beautiful writing all about persuading people to visit the circus. We wrote about different acts in the circus and had a big focus on adverbs and imperative verbs. In maths we have been continuing work on place value, particularly using number lines. On Thursday volunteers from the Ashdown Forest come in and make lovely pop up Winnie the Pooh inspired cards. In Science we have been exploring simple circuits. In Geography we began to make a poster about continents. In PE we worked on football skills, such as passing, receiving, and our teamwork skills. In DT we made our final design for our light boxes which we are all excited to make! Have a lovely weekend 😊

Badgers

Badger Class have worked really hard this week! They listened to music by Vera Lynn, before creating a poster all about her and her style of music. In DT, we designed our Anderson shelters and thought about what materials we might need to create it. In English, we wrote and edited a diary entry as if it was our evacuee's birthday! We tried to include adverbials and semi-colons. In maths, we have recapped rounding any number and how to use negative numbers. In PE, we worked on our movement with a football, practicing receiving a pass whilst running. We have also begun working on our Harvest Festival performance. Well done, Badgers. You have all done some fantastic work this week.
Have a great weekend.

DATES FOR THE DIARY

SEPTEMBER 2025

Wed 24th **XC Qualifiers Rocks Park 13:30 – 15:00**
Football Club 3.20 – 4.15

Thurs 25th **Karate Club 3.20 – 4.15**
